Family Activity Night

All day Mon, Jan 21, 2019

Don Eaton

All Over Town  
San Carlos, CA 94070, USA

Since its inception in 1999, the Week of the Family Committee has designated the Monday evening of the week as a night reserved for families to stay at home and do something specifically with their family. It is hoped that reserving one night per week will become habit-forming. To show their support, San Carlos principals have historically declared Monday, as a "No Homework" night.

Family Activity Night is for everyone. You are encouraged to "adopt" friends and neighbors who would enjoy an evening of family activities.

Ideas for things to do as a family:

Play board or card games
Get out the family photo album
Make up a play or story
Make dinner—everyone contributes a dish
Make a family calendar
Read a book aloud (book lists are available at the library)
Write letters to grandparents or other family members
Draw or paint a picture
Learn how to use a compass
Pull out your old records, tapes, CDs, then listen to and discuss music
Tell stories from your family history
Go to the library
Bake bread
Start a family journal
Sing
