## San Carlos Lions Club Application for Scholarship

The San Carlos Lions Club was chartered on March 31, 1938, by the Association of Lions Clubs International. From the beginning, this club's symbol has been its strong tradition of community involvement. The club has donated money to many youth organizations over the years, as follows: children with special needs, youth sports groups, the 4-H Club, the Boy Scouts and Girl Scouts, youths who need assistance with medical care and local public schools. The club also launched the construction project of the San Carlos Museum of History in the late 1960s that was completed in the 1970s and dedicated to the city of San Carlos.
